

WILBOR eBooks Step by Step for Nook

*Note: remember that you need a desktop computer to use your Nook with library eBooks. Until you get to the section [Transferring an eBook from ADE to a Nook](#), all of the steps are done on your desktop computer. Thank you!

Install Adobe Digital Editions Software

Step 1. Begin at the library's home page, www.dmpl.org

Step 2. Click Search → Digital Downloads → WILBOR eBooks → Adobe Digital Editions Software

(You can watch the video on downloading Adobe Digital Editions if you wish.)

- Fast, free download
- Standalone installer
- Content portability
- Support for Sony® Reader
- Powerful markup features
- Support for PDF and EPUB, a reflow-centric XHTML-based format
- Support for borrowing eBooks

Step 4. Click **Install** again to continue the installation

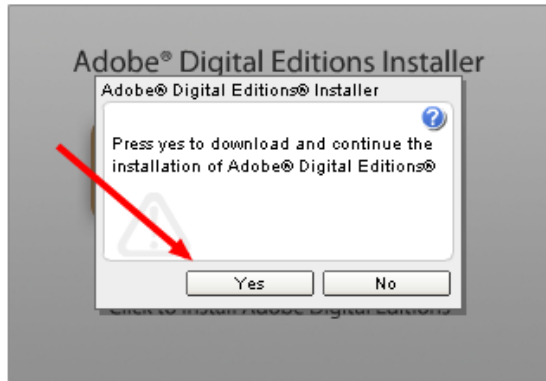

The free download (Windows® and Mac OS) takes less than a minute to install over a broadband connection.

TOP FEATURES

- Interface designed for digital reading
- Fast, free download
- Standalone installer
- Content portability
- Support for Sony® Reader
- Powerful markup features
- Support for PDF and EPUB, a reflow-centric XHTML-based format
- Support for borrowing eBooks

Step 5. Click **Yes** to continue the installation

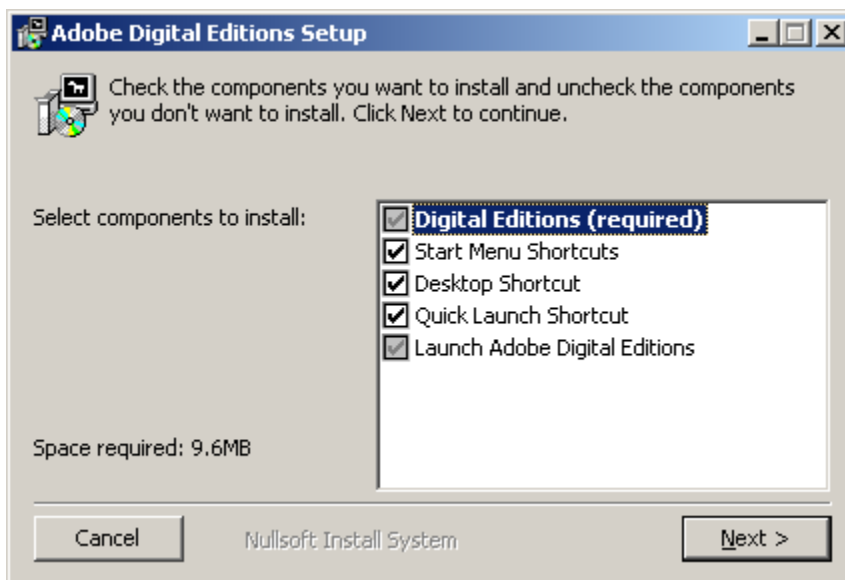

The free download (Windows® and Mac OS) takes less than a minute to install over a broadband connection.

TOP FEATURES

- Interface designed for digital reading
- Fast, free download
- Standalone installer
- Content portability
- Support for Sony® Reader
- Powerful markup features
- Support for PDF and EPUB, a reflow-centric XHTML-based format
- Support for borrowing eBooks

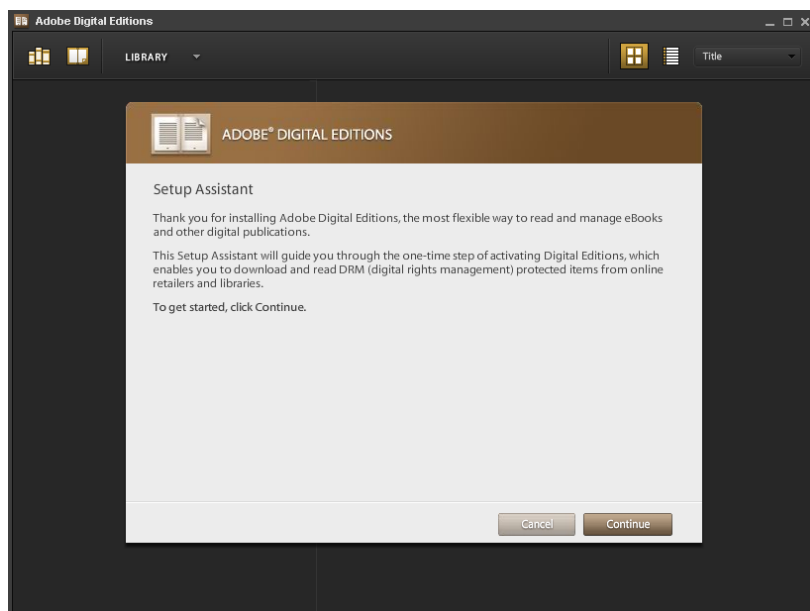

Step 6. Click through the following screens to complete the installation. Click **Close** when done.

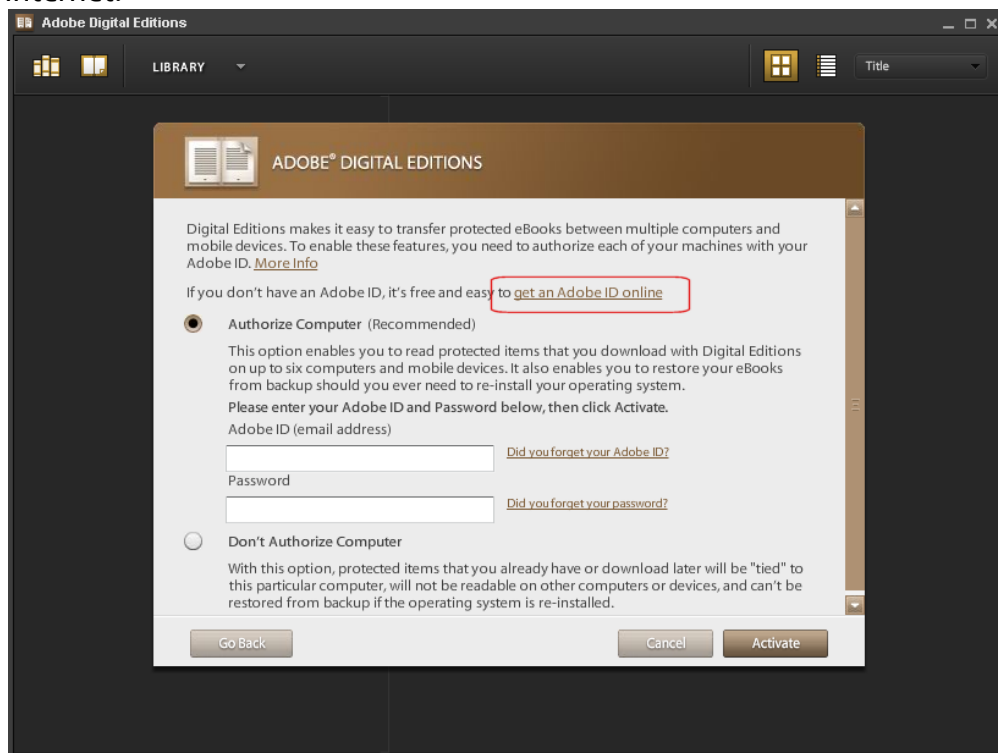

Authorize Adobe Digital Editions Software

Step 1. Adobe Digital Editions Software will launch after the installation. Click **Continue**

Step 2. The next step is to get an Adobe ID online. Use the link to open a new window to the Internet.

Step 3. Click **Create an Adobe Account**

Adobe ID
(Usually your email address) [Did you forget your Adobe ID?](#)

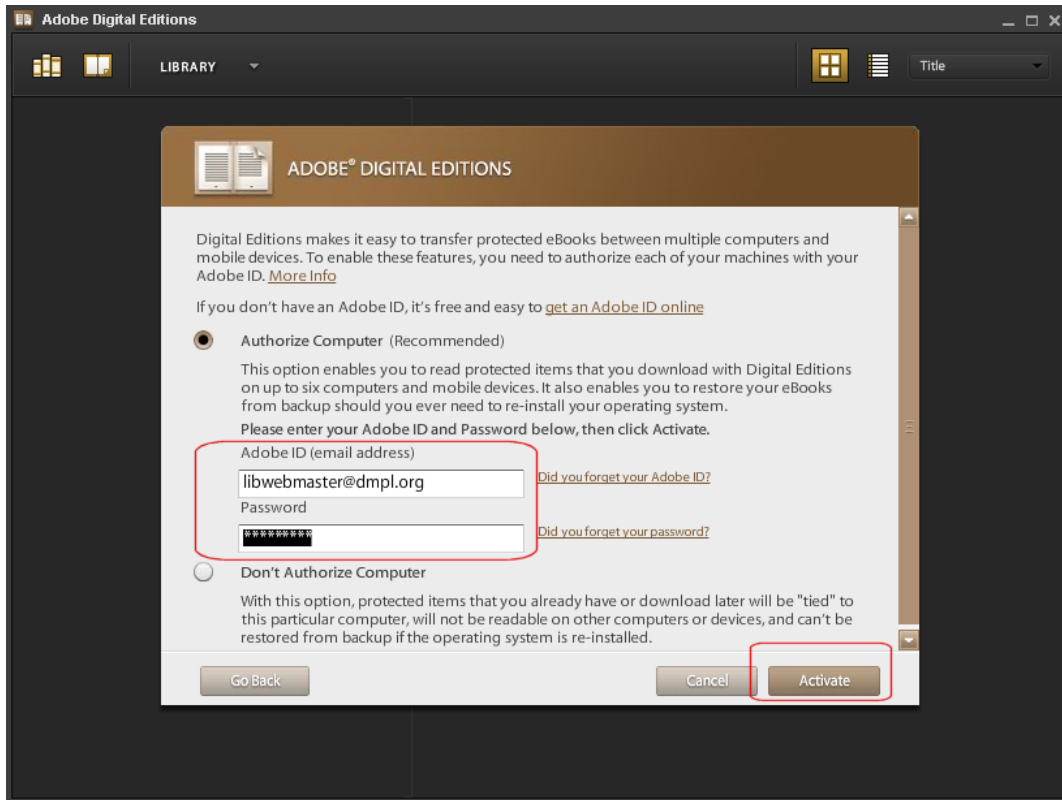

Password

Step 4. Fill in the following seven blanks and click **Continue**. You're done creating your account.

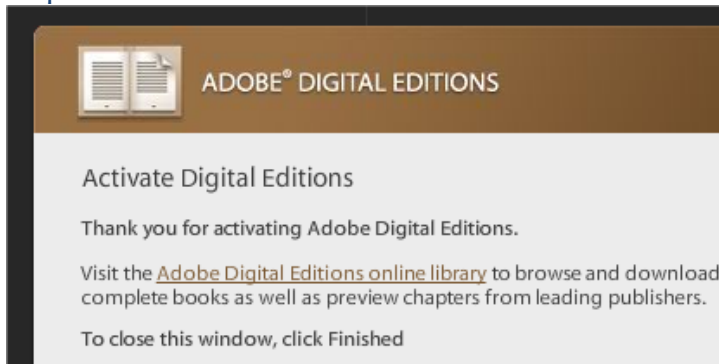

ACCOUNT DETAILS

E-mail *	<input type="text" value="libwebmaster@dmpl.or"/>
Password * (Must be between 8-12 characters)	<input type="password" value="....."/>
Retype password *	<input type="password" value="....."/>
Password hint	<input type="text"/>
First name *	<input type="text" value="Library"/>
Last name *	<input type="text" value="Webmaster"/>
Job title	<input type="text" value="SELECT"/>
Organization name	<input type="text"/>
Address	<input type="text"/> <input type="text"/> <input type="text"/>
City *	<input type="text" value="Des Moines"/>
Country/Region *	<input type="text" value="United States"/>
State/Province *	<input type="text" value="SELECT"/>
Zip or Postal Code *	<input type="text" value="50309"/>

Step 5. Return to Adobe Digital Editions and enter your new Adobe ID and password. Click **Activate**

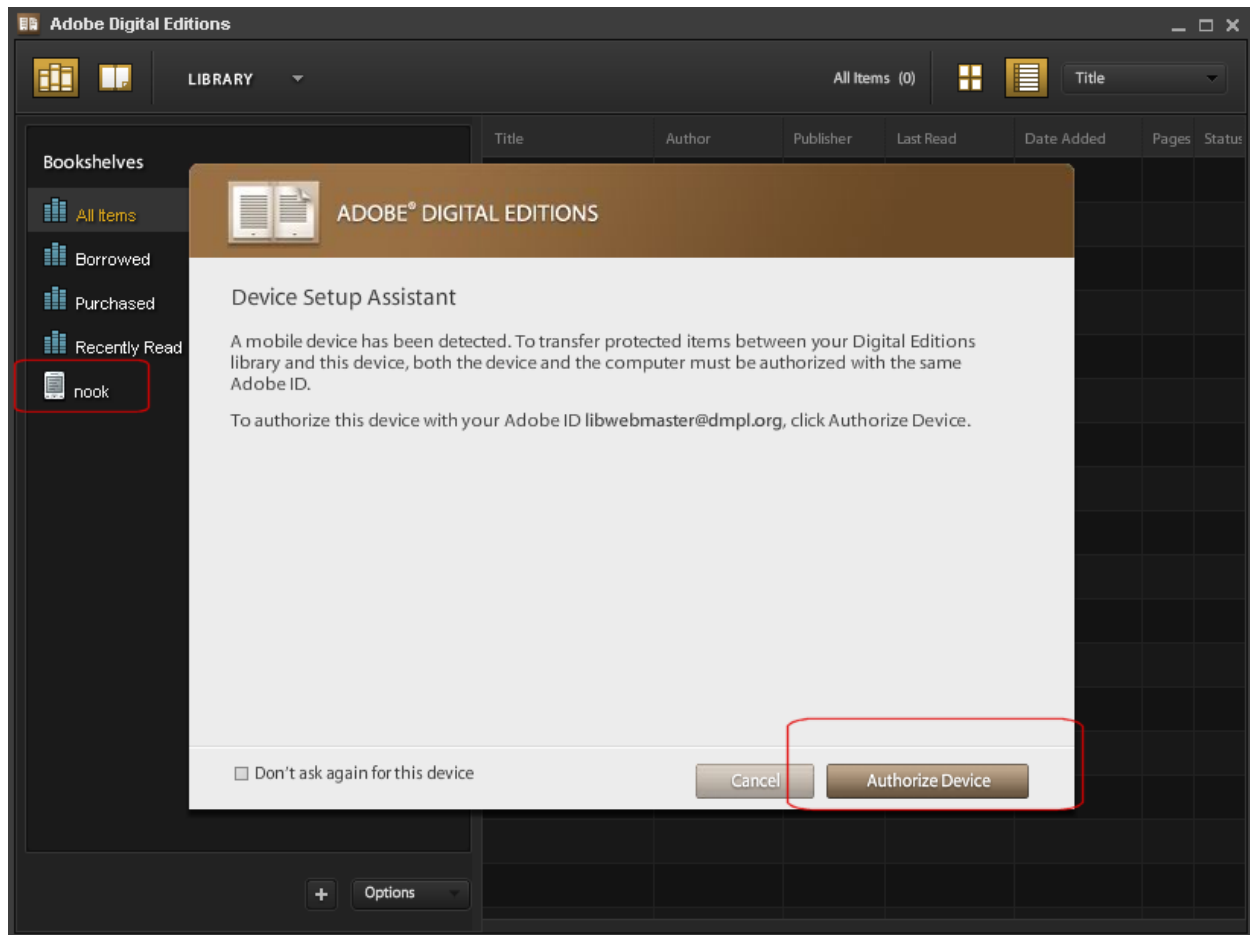

Step 6. Click **Finished** on the Thank-You screen

Step 7. Now plug in your Nook. You will hear a beep and see your Nook show up on the left hand pane of Adobe Digital Editions. (If Microsoft Windows pops up a box about What Do You Want To Do With This Device, like camera or play or whatever, just close it.)

Adobe Digital Editions will ask if you want to authorize this device.

Step 8. Adobe Digital Editions will authorize your device. Click **Finished**

Using WILBOR to Find and Download eBooks

Step 1. Begin at WILBOR website, <http://wilbor.lib.overdrive.com>

Step 2. Choose one of the methods for searching ebooks found on the screen to the right.

Place a check-mark in the box for “Only Show Available Titles” if you want something that is checked in today.

The screenshot shows the WILBOR website interface. At the top, the logo for WILBOR (Blue Ribbon Downloads for Iowans) is displayed. Below the logo is a navigation bar with links for Digital Home, My Account, My Cart, Help, Login, and Participating Libraries. The main content area is divided into several sections:

- Search Section:** A "Quick Search" box with a search input field and a "Go" button. Below it, a dropdown menu is set to "all". A checkbox labeled "Only show available titles" is checked and highlighted with a red box. A link for "Advanced search..." is also visible.
- My Help! BETA:** A section with the text "Need help? Get started here." and a list of links for "New to Digital Media?", "Digital Media Guided Tour", "Quick Start Guide", "Digital Help--FAQ", "Check Out Help", "Supported Audio Devices", and "Supported eBook Devices".
- Now Available:** A section with a "Library eBooks for Kindle" logo and a book cover for "The Girl Who Kicked the Hornets' Nest" by Stieg Larsson.
- Audiobook Fiction:** A section with links for "All Audiobook Fiction", "Classics", "Historical Fiction", "Humor", "Literary Fiction", and "More...".
- Audiobook Nonfiction:** A section with links for "All Audiobook Nonfiction", "Biography", "Business", "Current Events", "Health and Fitness", and "More...".
- eBook Fiction:** A section with links for "All eBook Fiction", "Historical Fiction", "Literary Fiction", "Mystery", "Romance", and "More...". This section is highlighted with a red box.
- eBook Nonfiction:** A section with links for "All eBook Nonfiction", "Biography", "Business", and "More...". This section is also highlighted with a red box.
- Collections:** A section with a link for "Collections".

The right side of the page features several rows of book recommendations, each with a "Click here to see more items" link:

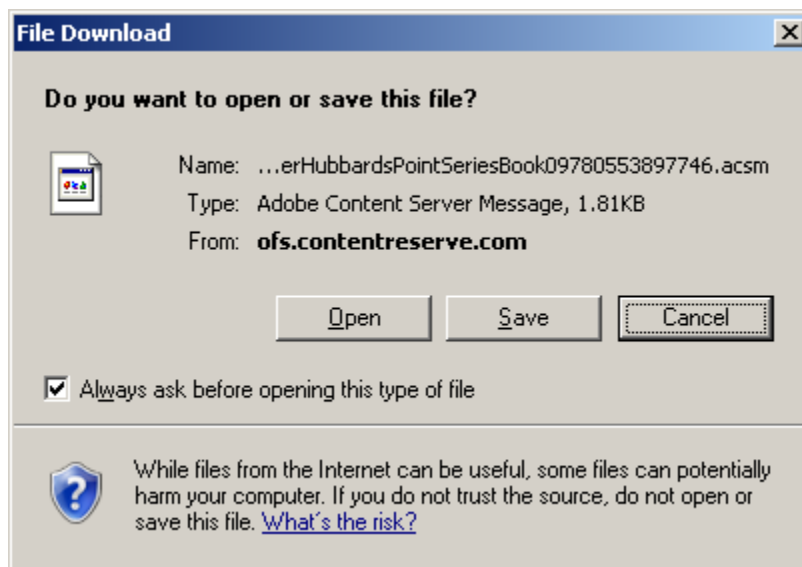

- New eBooks:** A row of four book covers: "Girls" by Frederick Busch, "Mr. Fox" by Helen Oyeyemi, "The Keeper of Lost Causes" by Jussi Adler-Olsen, and "Shakespeare's Landlord" by Charline Harris.
- New WMA Audiobooks:** A row of four audiobook covers: "Best Friends, Occasional Enemies" by Lisa Scottoline, "St. Peter's Fair" by Ellis Peters, "In-Flight French" by Living Language, and "Broken English" by P. L. Gaus.
- Always Available:** A row of four book covers: "The World To Come" by Dara Horn, "Abigail Adams" by Woody Holton, "Snakewoman of Little Egypt" by Robert Hellenga, and "You Know When the Men Are Gone" by Siobhan Fallon.
- New MP3 Audiobooks:** A row of four audiobook covers: "Twin" by Allen Shawn, "The Thunder Keeper" by Margaret Coel, "The Winter Ghosts" by Kate Mosse, and "Where She Went" by Gayle Forman.
- Recently Returned:** A row of four book covers: "Out of Egypt" by Anne Rice, "Mr. Cavendish, I Presume" by Julia Quinn, "Ballistics" by Billy Collins, and "Ravished" by Amanda Quick.
- Children's:** A section with a link for "Children's" and a "Click here to see more items" link.

Step 3. Titles that say “Add to Cart” are checked in and available for downloading. Titles that say “Add to Waiting List” are not available for downloading that day, and you’ll place a hold to be contacted later. Borrowers can have three items checked out, and it can be a combination of audiobooks and eBooks, but not three of each. They can have three holds.

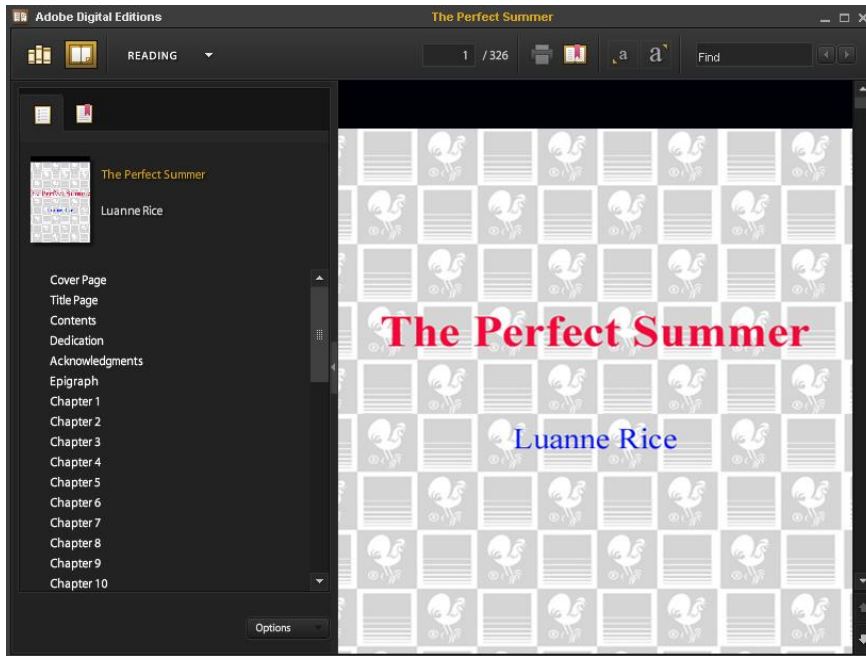

After finding a title and completing the checkout process, click **Download**

Step 4. If you’re using Internet Explorer, you will be asked if you would like to Open or Save this file. Click **Open**

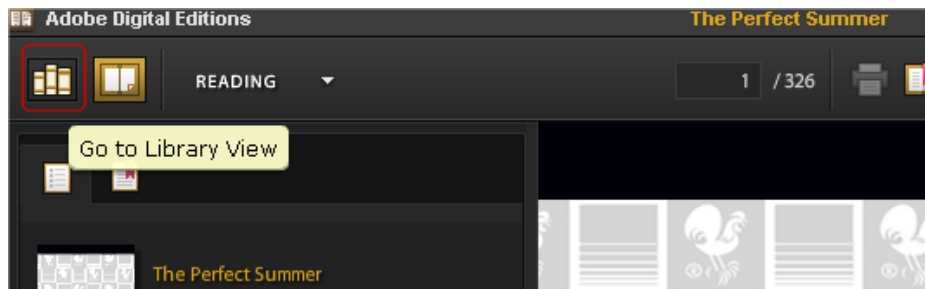

Step 5. Adobe Digital Editions will pop up and the book will download into ADE

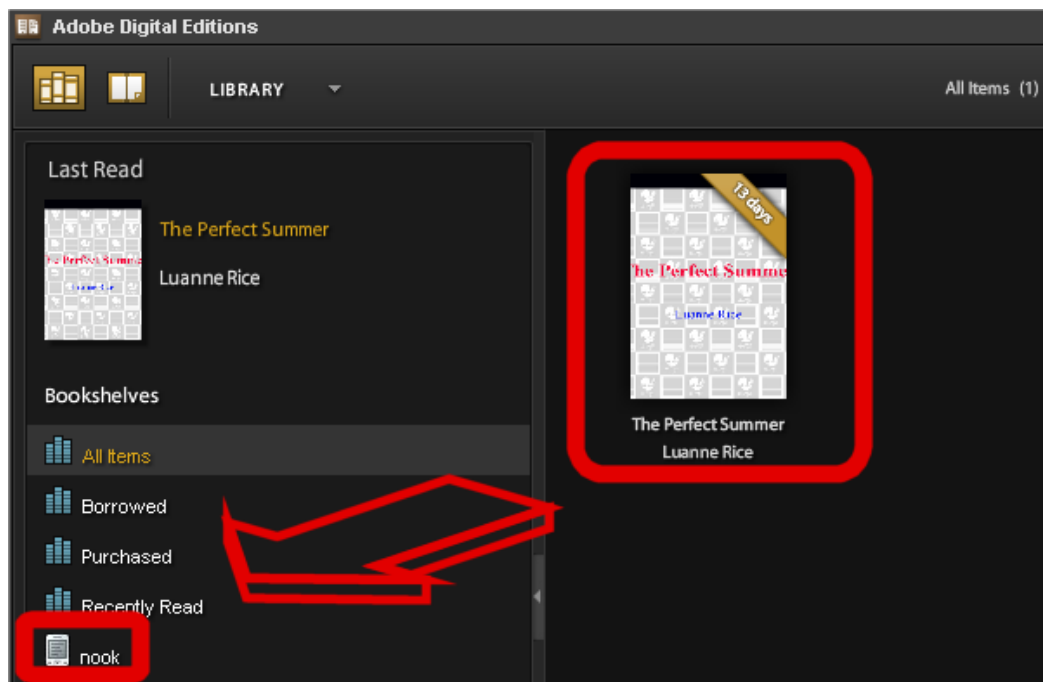

Transferring an eBook from ADE to a Nook

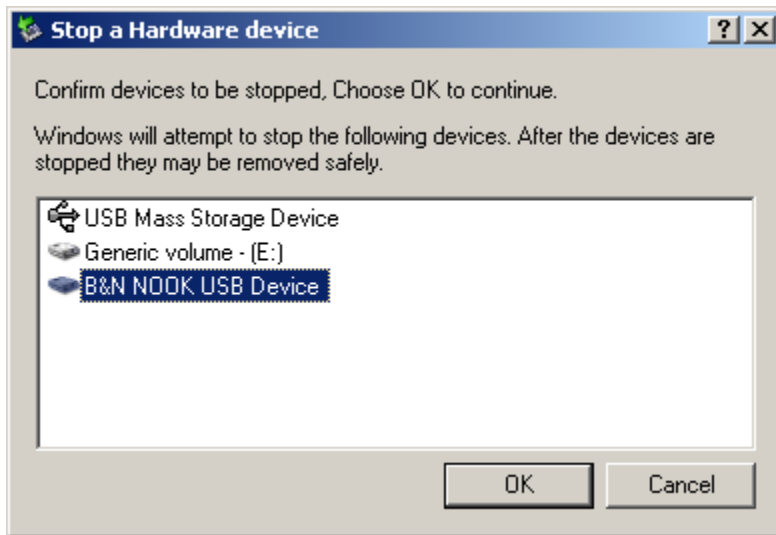

Step 1. In Adobe Digital Editions, look in the upper left-hand corner. Click on the **three books** to move to the Library view.

Step 2. Your device, Nook, appears at the end of the left column. Your book is in the right column. Drag the book from the right column to the Nook icon.

Step 3. Safely eject the Nook from your computer.

Step 4. Turn on the Nook and click “My Library”

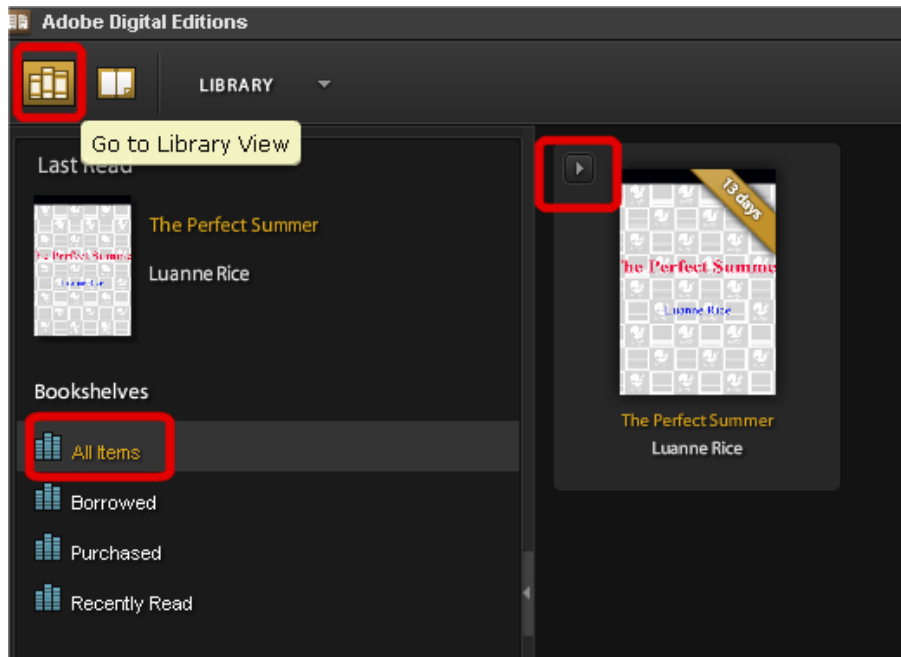

Step 5. In the bottom section of the Nook, touch “Go to My Documents”

Returning an eBook Early

Step 1. Open the Adobe Digital Editions software on your computer. Make sure your Nook is connected, too.

Step 2. If necessary, navigate to the Library View, All Items. You want to see the book you are returning in the right-hand panel. Once it is there, click on it to make it active. You will see a small right-facing arrow next to your book.

Step 3. Drop down the menu and click **Return Borrowed Item**

Step 4. Click **Return**
