Light refreshments or catered meals may be served in the first-floor conference room only. There is a maintenance fee of $20 if food is served. Lidded beverages (coffee, bottled drinks) are allowed in either room.

Reserving a Room

Room use applications are available on the library web page (dmpl.org/central-library-meeting-rooms-0) or may be picked up at any Des Moines Public Library location. Anyone wishing to use a meeting room must complete the appropriate application and submit it to the Administration Office, along with their letter of tax exemption, if applicable. Applications must be received at least five days in advance of the event and may be submitted via email or fax, or be dropped off at any location.

You may call 515-283-4152, ext. 4 or email libraryrooms@dmpl.org to check room availability or with questions regarding meeting rooms. The Central Library Meeting Room wing and conference rooms may be scheduled up to two years in advance. The Des Moines Public Library does not guarantee any date for meeting room usage until written confirmation is received.

Payment of Fees

All reservations will be confirmed with an emailed invoice. Full charges must be paid to the Administration Office no later than five business days before your meeting date or the reservation will be canceled. Make checks payable to the Des Moines Public Library. Credit card payments may be made over the phone (515-283-4152 ext. 4) or by fax (515-237-1654).

Please note: If an invoice is not fully paid by the due date listed, the library reserves the right to cancel the reservation. The library will refund any partial payments or deposits made up to that point by mail.

Room Arrangement and Setup Fees

Because of where the furniture is stored, room setup must be done by library staff and is included in your rental fee. Library staff will work with you to establish an authorized floor plan for your event. The library must approve final details regarding meeting room setup at least five business days in advance of all events. No changes may be made the day of the meeting.

Room capacity is determined by which rooms are in use and the room arrangement (see chart in FAQs). Use of the projection screen affects the space available for seating. The number of rooms required may be determined by the arrangement needed and maximum room capacities. Options for room arrangements are: Theater style (facing East or South), Banquet, Seminar/Classroom, or any Custom setup with round or seminar tables, and chairs.

Weekend reservations that require room setup to be done outside usual hours require a setup fee of $50 per room. This will be determined by the Administration Office upon review of the scheduled events.

Condition of Room and Damages

The renter of the room is responsible for the cost of all damages that occur during the rental period. This includes, but is not exclusive to, damage to walls, windows, flooring, furniture, and AV equipment. You may request a walkthrough of the room with library staff prior to the event. Walkthroughs for weekend events must take place by Friday afternoon before 4:00 p.m.
Use of Library Equipment

Digital Projection System $20/ room
Stage (8’ x 16’) - only available when using all three rooms $200

- Computers, tablets, or any other AV equipment not listed above will not be provided by the library.
- A standard VGA cable or HDMI will be provided to connect to the projection system, adapters for Apple products or any other non-standard ports are not. The event host is responsible for damaged or missing cables at a replacement cost of $15.

The library will set up the AV control system for the event and provide information to operate its components from the lectern control panel (microphones, projection system). It is the client’s responsibility to become familiar with the control panel in order to operate the equipment needed. All ports and cables should be PC compatible; we do not provide adapters for Apple products or non-standard tablets.

It is the client’s responsibility to verify that the AV equipment meets his or her needs. The library is not responsible for the sound and video quality of AV presentations or compatibility with the client’s equipment or media. If you need to verify the AV equipment in advance, please call 515-283-4152, ext. 4, to schedule a time. The library will not operate the equipment during the event, nor provide technical support.

Please specify on your application if you would like window darkening shades to be drawn for your event. Library staff will not manipulate lighting or window shades during an event; events must settle on a single lighting setting for the entirety of an event.

Entertainment and Music

All entertainment, including music, must end by 12:00 AM on Friday and Saturday nights and by 11:00 PM other evenings. The client is responsible for informing the band or DJ of the end time and the limited electrical power available in the space rented for the event. The band or disc jockey must provide any necessary extension cords and cables; all extension cords and cables must be taped down with non-residue tape. The use of duct tape is not permitted.

Food and Catering

Light refreshments such as coffee, tea, pop, and cookies may be served. The applicant assumes full responsibility for making sure all used paper goods and food remains are put into supplied trash receptacles before vacating the premises. A maintenance fee of $30 per room will be charged.

If catered food is to be served, you must choose from one of the library’s pre-approved caterers or have the caterer approved ahead of time. The library does not provide table service or linens. For information about alcohol service see below.

The library’s approved caterers must be contacted and paid separately. Please call the Administration Office for information – 515-283-4152, ext 4.
