Volunteer opportunities include attending VolunTeens meetings and assisting at various programs. VolunTeens meets on the first and third Monday of each month from 4:00 – 5:00 pm, and you do not need to be available for every meeting to volunteer. Check the library calendar for a complete list of VolunTeens dates. You are still welcome to fill out an application and volunteer if you cannot make the VolunTeens meetings; volunteers will be contacted about opportunities to help out at programs and events.

The teen volunteer program is for students 12-18. Please use a pen and print clearly. Fill out the application and waiver completely and have your parent or guardian sign the waiver, then submit the completed forms at your local library. The volunteer leader from your branch library will contact you.
