

Opening Doors. Books. Minds.

The Estes-Spaulding Society

FOUNDED IN 2022

The Estes-Spaulding Legacy Society recognizes and honors those who choose to put the Des Moines Public Library Foundation in their will or estate plan. Named for trailblazing former library directors Elaine Graham Estes and the late Forrest Spaulding, this special group of donors will open doors well past their lifetimes.

By letting us know your intentions to commit to a legacy gift that makes a long-term difference, we can celebrate you in the present with opportunities to connect more deeply to library programs and our community of stewards.
